.01 Purpose.

This directive establishes policy for conducting the security reclassification of inmates under the authority of the Division of Pretrial Detention and Services (DPDS).

.02 Scope.

This directive applies to all units responsible for the classification, custody, and security of an inmate under the authority and control of the DPDS Commissioner.

.03 Policy.

- A. All Units of the Department shall protect Constitutional guarantees, and the statutory and regulatory rights of an inmate when conducting an initial security classification. Inmates shall not be classified or housed by race, color, creed, or national origin.
- B. DPDS shall classify inmates to the least restrictive security level consistent with the inmate's needs, public safety, and the safe and orderly operation of the facility.
- C. DPDS inmates with similar security levels shall be housed together in environments appropriate to their security level.

.04 Definitions.

- A. In this directive, the following terms have the meanings indicated.
- B. Terms Defined.

.05 Procedures.

A. Security Classification Generally.

- (1) The classification process is an objective method used to identify and categorize inmates.

- (2) The reclassification decision is not subject to appeal or the administrative remedy process.
- (3) When conducting a security reclassification, a case management specialist shall consider risk factors that include, but are not limited to:
 - (a) Current offense;
 - (b) Prior criminal history;
 - (c) Prior institutional behavior;
 - (d) Recent institutional violence;
 - (e) Number of disciplinary reports (if applicable);
 - (f) Medical and mental health history;
 - (g) Positive Program Participation; and
 - (h) Any other relevant factors.
- (4) After a security reclassification has been conducted, any change in the inmate security level may be used to determine housing assignments and eligibility for programs and job assignments.

B. Reclassification.

- (1) Within 90 calendar days of an inmate's initial security classification for placement within a DPDS correctional facility, a case management specialist shall:
 - (i) Review all available information and records, as described in Appendix 2, to identify risk factors;
 - (ii) Complete a security reclassification utilizing the DPDS Reclassification Form (Appendix 1 – page 1); and
 - (iii) Recommend a Population Assignment and Security Level based on the Total Security Score based on the Security Scale (Appendix 1 – page 2).
- (b) If recommending an override of the scored security level, a case management specialist shall:
 - (i) Provide a written rationale for the override on Appendix 1 – Page 2; and
 - (ii) Submit all forms, records, documentation, and recommendations to the case management specialist supervisor.
- (2) A security reclassification shall be conducted routinely every 90 days following the previous classification.

- (3) The case management specialist shall provide the inmate with a Notification of Case Management Action Form (Appendix 3) documenting the security classification decision within 5 business days of completing the security reclassification.

C. Automatic Classification.

- (1) A sentenced inmate with less than 180 days to serve may automatically be classified to Low Security using the Automatic Security Level Change in OCMS if the inmate has:
 - (a) No scoreable detainers or open charges;
 - (b) Never been sentenced for child abuse conviction; or
 - (c) Never been found guilty of escape.
- (2) A sentenced inmate with less than 180 days to serve may be automatically classified to Medium Security using the Automatic Security Change in OCMS if the inmate has:
 - (a) Never been sentenced for child abuse conviction; or
 - (b) Never been convicted of escape.
